OUR BELIEF

The National Council on Alcoholism and Drug Dependence of the Central Mississippi Area, Inc (NCADD), is a 501 C3 non-profit organization based in Ridgeland. **NCADD believes in the concept of substance use disorder as a treatable disease rather than a moral failing.**

WHAT WE DO & WHY

We stand firm on three pillars: prevention, treatment, and recovery. Committed to providing support to those who need it most, we have devoted more than fifty percent of our services to underserved areas. Our team, a passionate group of professionals, work tirelessly to focus on the mission: increase awareness about the devastating effects of alcoholism and drug dependency on the individual, the family, and the community.

OUR IMPACT

Serving thousands of individuals a year in one or more of our pillars, we are dedicated to learning and contributing to broader system changes in substance use disorder services by supporting youth and educators across school districts and sharing best practices with families and community members. **Investing as this year's sponsor will significantly increase resources needed to support individuals and families who need it most.**

a Night
Honors

Dear Friend,

Every day, the National Council on Alcoholism and Drug Dependence of the Central Mississippi Area, Inc. provides education, comfort, and/or care to someone in need. Our statewide presence ensures volunteers, team members and community partners are available to provide lifesaving support. On the evening of **Thursday, September 11, 2025**, we will be hosting our **Annual Celebration: A Night of Honor at the Mississippi Museum of Art**. This event mirrors the mission of NCADD and encompasses our vision.

This invitational event will honor a Bronze Key Recipient, an individual that has made significant contributions to the field of alcoholism and drug addiction and empower community members and professionals alike. A Night of Honor will attract a large and diverse audience of change agents from across the state.

For 76 years, this captive event continues to serve as an excellent opportunity to showcase the power of collaborative leadership focused on making strides in the fight against substance use disorder.

Enclosed is our Corporate Sponsor Rate Card for your consideration of one of the sponsorship levels. **We Cannot Do It Without You. Your Support Makes These Efforts Possible.** As a sponsor, you will help to ensure that more Mississippians receive the services needed. No one should have to suffer from the deadly consequences of substance use disorder.

You may contact me directly at asmith@ncaddms.org or 601.899.5880 for inquiries or questions regarding sponsorships.

Your consideration for a partnership with us is greatly appreciated in support of this effort.

Sincerely,

Ashley Smith, Executive Director
NCADD of the Central MS Area, Inc.
